

The background of the advertisement is a nighttime photograph of a well-manicured garden. In the foreground, a square fire pit constructed from grey interlocking pavers sits on a patio of similar pavers. The fire pit has a metal mesh top with a flame visible inside. To the left, a swimming pool is partially visible, bordered by a low wall of light-colored pavers. The garden is filled with various plants and trees, some of which are illuminated by warm white string lights hanging from above. The overall scene is a sophisticated outdoor living space.
